

Building Commissioner
Michael Purtell

Building & Code Department

Effective December 5th, 2016

The City of Waukegan adopted the 2012 International Residential Code as City Ordinance 16-0-99.

Re: Ice and Water Shield Required

Section R905.2.7.1. **Ice Barrier.** An ice barrier that consists of a least two layers of underlayment cemented together or of a self-adhering polymer modified bitumen sheet, shall be used in lieu of normal underlayment and extend from the lowest edges of all roof surfaces to a point at least 24 inches (610 mm) inside the exterior wall line of the building.

Exception: *Detached accessory structures that contain no conditioned floor area.*

Respectfully,

Michael Purtell
Building Commissioner
